Dear Parents, Carers, Students and Community Members

Welcome to **week 4** after Year 2/3 having a wonderful time at camp in Ballina, thank you to **Mrs Elwell, Mrs James** and **Nan Carm** for taking the time to make sure our students had an excellent camp experience.

YEAR 4/5/6 ASSEMBLY FOR TUESDAY 31ST HAS BEEN POSTPONED UNTIL NEXT WEEK as Mrs Wilkinson is away sick.

Last Friday 27th Oct was **World Teacher's Day** and I would like us all to acknowledge the great work that all of the teachers at Tabulam Public School do to make sure your children have the best access to education possible, they are very dedicated and professional and bring their best self to the school every day. **Thank you** to them all.

My symposium in Melbourne with the Teaching Fellowship group last week was very enlightening and has brought us in contact with Professor Fernando Remiers in our journey to inspire the educational culture of Australia and enhance learning outcomes for all. The Harvard Professor is developing a global citizen framework to build better citizens through education and may be working with us in the future, what an exciting opportunity for our community!

Year 4/5/6 are working well with our **'Learning for the Future through**

Wahlubal Culture' project and went fishing on Thursday to add to the cultural resources of the Wahlubal Culture and History Centre. **Thank you** to the parents who joined in the project and helped out on the day. The students will continue the project every Thursday morning and community members are invited to call in and assist when possible.

My treasure box

Bang! Boom! I could hear

The explosions ringing in my ears. I needed to escape. I gathered my most precious items. I would take a book and some photos and videos about my family with me. The loud explosion was getting closer and I knew we had to get away soon. My mum came to my room and said, 'We must leave soon, very soon!'. I found a small metal box under my bed that I kept my precious possessions in, some toys and books.

My Treasure Box

Bang! Boom! Crash! I hear the explosions pinging in my ears. I needed escape. I gathered my most precious items. My most precious things would be my animals. To survive I would then go to my concrete bunker that I've built under the ground. I would wait there until it was safe to leave.
