Dear Parents, Carers, Students and Community Members

Welcome to **week 10**; nearly the end of the 2017 school year! The **Year 6 Graduation Dinner** was a quiet affair but lovely to farewell our 2017 Year 6 students. We wish them all well in their future education.

Attendance Reward Day was a fun day at **Casino Pool** with perfect swimming weather. It was a shame so many students could not attend due to the number of days they had had away this term. We are aiming for a much better attendance next year in term 1.

Tomorrow (Tuesday 12th Dec) is our **Christmas Craft Day** and students will be taking part in activities organised by the staff. In the afternoon we will be having our **Books in Homes Assembly at 2:30pm**; everyone is welcome.

Christmas Tree will take place tomorrow (Tuesday) evening with the **BBQ starting at 6pm**, Choir at 6:45pm and Santa arriving at 7pm. Dancing will start after Santa has given out presents. Students **enrolled** at Tabulam Public School and Pre School children will receive presents from Santa as long as notes and money are **paid at the office BEFORE the night**.

Check the sign for the **Maths Champions** from our Mathematics Competition today, everyone has been practising!

There will be a **volunteer's afternoon tea** for those who have volunteered their services to the school during 2017 on **Wednesday 13th Dec at 2:30pm in the staffroom**. Thank you so much for your support, the school is a better place with you here.

Due to the fact that there were 2 Staff Development Days (pupil free) during term 3 students are expected to attend school on Mon 18th and Tues 19th Dec.

Students '**Caught Being Good Learners**' for last week were: **K/1**; Kiziyah Roberts-Walker for great dancing. **Year 2/3**; Andre Avery for being a responsible learner, **Year 4/5/6**: Kaden Khelloul for working hard in class. Congratulations to all students for being a responsible learner.

My hole is dark and it
 is so big. I'm looking in there and
 little things are in there. There
 was long grass and flowers
 and a fallen tree and the
 turtles jumped on the
 floor. There was a dark hole
 in the tree. I went in
 and because the hole was dark and
 I went to bed we had breakfast
 and the hole was there.

The process is of a begin in
 the hole and is happy
 when going to the party
 in the circle.

K/1 read the text 'The Something' by Rebecca Cobb. A little boy finds a hole and imagines what is down there. K/1 had to use their own imagination and describe what was down the hole.

When I looked
down the snake
hole I saw 5
happy snakes and
they laid a thousand
eggs. There is a
python and a brown
and black snake.

I put my hand
down the ginormous
hole. There was a
trillion soft, silky,
slimy eggs. I looked
down the ginormous
hole. I saw a huge
fat Scary Snake, and
it was a green fat
Scary. I hoped I
didn't touch the
Snakes eggs. I am
scared but I need
my red ball. It is a dark hole.
