Following is a little information about the show.

Shaun Tan's fantastical world comes to life in a strange and wonderful metropolis full of floating ships, mysterious lights, alien symbols and weird animals. It is in this new place that our hero Aki makes his home.

This unique theatrical experience explores themes of freedom, immigration, survival, difference and acceptance. The Arrival is a fusion of Tan's beautiful and surreal illustrations with exquisite puppetry, haunting music and fine acting. Named Best production for 2006 at the Perth Theatre.
