Dear Parents, Carers, Students and
Community Members,

I can't believe how fast the term is going! It was lovely to walk around and visit the classrooms this morning and see everyone engaged in their learning. K/1 were busy doing their L3 group work with Miss Ianna, 2/3 were listening to a great story read by Mrs Elwell and 4/5/6 were starting their literacy group work with Mrs Wilkinson.

The new furniture in Mrs Wilkinson's has created a fantastic innovative learning space. I could have stayed in there all morning!

The school is conducting a survey about Tabulam Public School operating hours. This is to assess parents/carers and community members satisfaction with our current operating hours. Please take the time to tick the option that supports your needs on the attached flyer and return it to the school, or contact the school if you have any further suggestions.

Congratulations to those students receiving their Bronze awards this week. It was lovely to see the students' big smiles as they received these special awards for being Respectful, responsible, safe and most importantly, being a learner.
