Dear Parents, Carers, Students and Community Members,

We had a very busy week of learning last week with some very exciting visitors to our school. On Thursday we had the Bollywood hip hop dance instructor teach us some very cool dance moves. The students wore Indian dance costumes and had a great time learning the moves.

On Monday and Friday we had the local police visit the school to talk about Community safety and the Importance of the National Day of Action against Bullying and Violence. The students always enjoy the local police visiting the school, not to mention the yummy biscuits they bring along with them!

Next Monday is a fun-filled day starting off with our Assembly with the students performing in their class items. We then follow-up with the Book Launch and the Easter Hat Parade and egg hunt. What a great day to Stand Tall and Respect All!

Wednesday is Harmony Day. Harmony Day celebrates Australia's cultural diversity. It's about inclusiveness, respect and a sense of belonging for everyone. Our teachers have planned some very special lessons for this very important date.

Our 2/3 students have been working hard during their STEM group activities. I walked into the room last week and saw so many of our students engaged in their learning and developing inquisitive minds. STEM education is the learning of science, technology, engineering and mathematics in an integrated approach. Students gain and apply knowledge, deepen their understanding and develop creative and critical thinking skills within an authentic context. It includes project-based learning.

Friday this week is Crazy Hair Day organised by the SRC. Don't forget to bring in a Gold Coin donation on Friday to take part in this fun day!

P & C NEWS

A very big thank you to the mums and teachers who attended the P & C AGM and General Meeting. It was great to have you there and receive your input. Please do not hesitate to raise items that you would like discussed at the next meeting, and we hope to see you there again.

A reminder to the children they are not to order their lunch or little lunch at the canteen. They should be using the system of putting their orders in the crates before assembly.

As there was a mix up regarding the home made pizzas these will continue to be free until the end of term. From the beginning of Term 2 these will be \$2.20 and no further frozen pizzas will be purchased for sale.

The Northern NSW Local Health District would like to remind parents and carers that the Child Oral Health Service offers **FREE dental care to ALL children under 18**.

- Oral health is essential for health and wellbeing.
- It is recommended that children have regular dental check ups starting at 1 year.
- Regular dental check ups can prevent minor problems becoming major ones and prevent unnecessary pain and distress.
- Dental visits can be fun for kids, treat these visits as normal, routine events so as not to develop fear.

STEM Learning in 2/3

Throughout this term as part of our Project based learning, we have implemented STEM (Science, Technology, Engineering and Maths) activities into our learning. On Friday Mrs Elwell purchased a STEM kit and the students in 2/3 had a great time exploring how to put components together, how to make pulleys and cranks move, how to use air to propel a fan, all while working collaboratively and co-operatively.

We would like to share some of our photos of this process.

SRC CRAZY HAIR DAY 2018

When: Friday 23rd March 2018

Where: Tabulam Public School

What: Crazy Hair Day and mufti day

Cost: Gold coin donation

Supporting: Kids with Cystic Fibrosis

****Hair spray and chalk will be available at school on Friday as well for a gold coin donation****

SCRIPTURE LESSONS
AT TABULAM PUBLIC SCHOOL

To all parents and carers.

Vicki & Greg Dollin have been delivering scripture lessons this year for those children who have returned a signed note from their parent, carer.

So we can keep our records up to date for children who are taking part in scripture lessons, we need to have a signed note for each child or family returned to school as soon as possible.

Even if you have already signed and sent a note back, please sign this one and return it to school.

Thank you

Wendy King

.....

Scripture Classes

I would like my child/children

To attend scripture classes at Tabulam Public School with Greg & Vicki Dollin.

Signed:

Parent/Carer
