Dear Parents, Carers, Students & Community Members,

Welcome to **week 5**, we hope everyone good time over the weekend and those who went to Beef Week in Casino had fun; we saw some of your photos in the paper!

Students attending the **Zone Cross Country on Friday at Corndale** will be travelling with family and Mrs James will meet you there to support you in your race. Go hard and strong!

Dr Jackie Andrews will be holding her clinic at Tabulam Public School tomorrow (Tuesday). Patients should have received notification of their appointment time.

It seems that a number of students are not **wearing their school uniforms**. We have 2 choices of school shirt and they are available at the office. Tabulam Public School has always had students proudly wearing their school uniform, don't forget that **St Vincent de Paul have subsidised every child \$20 towards a school shirt**. If you have not already used your allocation we have a new shipment of **school shirts available at the office**. **School shoes are also a required part of our school uniform**. Shoes are to protect the student's feet from sharp objects and/or having something dropped on their foot, this is a **safety requirement** for all schools. Students not wearing shoes will not be able to play but will have to sit in a quiet area to protect them from hurting their feet. It is also very cold and students need to wear shoes to keep them from getting sick.

Our **NAIDOC day** this year has had a change of date: We will be having our School NAIDOC on **Tuesday 31st of July which is week 2 in term 3**. This is due to some staff being away at the end of term 2. The NAIDOC theme for 2018 is 'Because of her we can' and students have been asked to submit their responses to the theme for an ABC radio presentation.

Please see attached flyer for the **Jubullum community NAIDOC Day Celebration** event in the school holidays on **Wednesday 11th July**. Everyone is welcome to attend.

CANTEEN: Reminder that **Tuesday and Wednesday** are **healthy little lunch days**. Children can have yoghurt with milo or fruit, custard, plain or with fruit, crackers and cheese, fruit sticks, fresh fruit and drink of choice. **There are no chips, muffins or paddle pops on Tuesdays and Wednesday's**. This is part of the new healthy canteen guidelines for schools. Thank you to our wonderful canteen volunteers who do a great job of making sure Tabulam students have healthy, nutritious food. It is **great to see that lunches** are being **ordered before 10am** so that there is time to have all lunches ready for the lunch break. Thank you for your consideration.

Different Teacher, Same Respect Award last Friday went to **Shaileigh Avery**. There were many students in the draw, well done to all!

It has been wonderful to see some many learners coming to show me their work at the office, keep up the great effort!

The following students are on **GOLD** for Being Safe, Being Responsible, Being Respectful, Being a Learner:-
