Dear parents, carers and community members,

Welcome to a busy **week 9** with many of our end of year celebrations. We hope that you can join us to celebrate the achievements for 2018 with your children.

Last week students enjoyed **learning about looking after our rivers** with Landcare representatives. All students planted some seedlings which will be grown on and then planted out to protect our river banks.

Tomorrow (Tuesday 11th Dec) at 10 am we will have our Annual Presentation Assembly at Tabulam Hall. Everyone is welcome to attend to recognise student achievement for the year. After the Presentation we will be having a **light lunch back at school (in the classrooms this year)** so that students can share some of the work they are proud of with you all. **Student end of year reports will be available** at school after the Presentation Assembly.

On **Wednesday** students will be having a **Christmas Craft Day** to make some gifts for Christmas. Thank you to the staff for organising the activities.

On **Thursday 13th December** eligible students, who have had satisfactory attendance and have been on bronze less than 90 % of the time, have been invited to our **Rewards Day at Bonalbo Pool**. Unfortunately many students have missed out due to poor attendance this term. We hope that we can get back to our excellent attendance record in 2019! **Eligible students will receive a note this week**; the cost will be \$10 to help with bus costs.

The **Year 6 Graduation Dinner** will take place on **Thursday evening at 6:30 pm at the Casino RSM**. This is a lovely evening for Year 6 students and their parents to enjoy a meal and some fun together. Please note: no siblings are to attend as this is a special night for our Year 6 students.

On **Friday 14th December at 12:45pm** we will be having a **farewell for Mrs Nancy Martin** who is taking leave next year before going into a well-deserved retirement. We invite everyone to join us to farewell Mrs Martin with a dance performance by the students and some light refreshments.

In week 10 we will be having **Christmas Tree Night at the school on Tuesday 18th December at 6pm**. This year we have changed the order of activities: The P&C

will be having a BBQ, students will be dancing, having a lantern parade and singing carols before Santa arrives at the end of the evening to give out the gifts.

On the last day of the school year (Wednesday 19th December) we will be having a **thank you BBQ for all volunteers, businesses and organisations who support our school**. The new BBQ was built with donated funds from **Mountain Blue Farms** and it is wonderful, come along and say thank you to all of our supporters!
