Dear Parent/Carers,

Tabulam Public School has begun Dance Fever with Mr P and what fun it has been so far. We have been learning new moves, having dance battles and even helping our partners learn the moves. Our senior kids have been partnering up with our junior class to support them learning their moves and it has been great to see so many kids wanting to dance at lunch and recess breaks. Please see over for some photos of our Friday dance program.

Well done to Savannah and Latrell from our K-2 class and Derek and Leanita from our 3-6 class who won our 'Caught Being Good' awards. Congratulations to all in the photos who have reached their 25 DOJO awards for the term. Keep working hard and if you have not yet reached 25, it's just around the corner.

Our annual Intensive Swimming Program will be held in week 7 from the 25 - 29 of November. Stay tuned for more information to come!

Enrolment packs went home with our transition class last week for kindergarten 2020. We are hoping to have all forms back in by November 5 to assist with the planning of staff, classes and organisation for next year. I truly appreciate your support in getting these in ASAP to support school planning.

If any parents have any concerns regarding their child's education, I encourage you to come to the front office and see me for a chat.

Regards,

Shaun Piccoli

Transition

Transition Class

Our Transition class visited the dentist today and they were very brave. All children had their teeth checked and received a toothy brush and stickers. They have been working very hard each Monday and have joined our K-2 class in the afternoon session, getting used to the classroom, teachers, and their new environment. We are very lucky to be able to have such a great program which is coordinated by Mrs Eloise James and support by Mrs Trudy Carmichael. It makes a huge difference when these children enter kindergarten at TPS. Keep up the great work transition children!

ATTENDANCE
REWARDS
EXCURSION

TPS will be booking out the Bonalbo Pool and Kyogle slides for our attendance rewards excursion towards the end of this term. Children need to be at school each day or have a parent/carer contact the school to let us know why they are away. Children who have unsatisfactory attendance, will not be eligible to attend the excursion.

If your child is away from school can you please send a note, call the office or send a message via Facebook to let us know. EVERY SCHOOL DAY COUNTS!
