Dear Parent/Carers,

Yesterday we were lucky enough to have 82 Variety Dash Postie Bike visitors in for lunch. They were on their trip which began in Tamworth and were visiting local schools and communities. Tabulam Public School received a donation of around \$5000 from the Dashers which was used to buy new laptops to support learning in both classrooms. Our fantastic P&C put on a beautiful lunch and I would like to thank all the volunteers and people who cooked, served, helped set up and gave their time, we truly appreciate it. The kids wrote letters to the children and Postman Pat collected them for us. Some of the Dashers were dressed up and we lined up along the fence and waved them off. Hopefully they enjoyed themselves as much as we did and we will see them again soon.

Last week 11 children from our 3-6 class went over to Bonalbo Central School for a chat with Joel Thompson, a rugby league player for Manly. Joel spoke of his journey to become an NRL player and the resilience he needed to display. The children really enjoyed the talk and a special thank you to BCS for including us in this special event.

Last Tuesday TPS was visited by our local NDIS service coordinators who were out meeting parents and signing eligible children up to receive the support they require. It was great to see Martelle and Gina from Social Futures and we will see them again very shortly. If you have any questions relating to NDIS packages, please call in and see me or call the school to have a chat.

If any parents have any concerns regarding their child's education, I encourage you to come to the front office and see me for a chat.

Regards,

Shaun Piccoli
