Dear Parent/Carers,

We are swimming this week, following up kindergarten enrolments for 2020 and working hard to complete all our jobs before the end of the year. Please come in and see me if you have any questions relating to your child's education. We have had visits to both Casino and Bonalbo High Schools for our year 6 students, had football visits and participated in Dance Fever. TPS has been very smoke covered during the last few weeks and we are mindful of children with respiratory issues when playing outside or participating in PE. If you have any concerns regarding this please give me a call at school to discuss alternative arrangements. While the year is coming to a close we have 4 more weeks of school left and an attendance rewards excursion for students who are attending school only. **If you are not here, you need to make sure you let the school know via Facebook, phone or note.**

advance!**

We have our Year 6 dinner coming up on the 5<sup>th</sup> of December. Please see our Facebook post, note or front office for more information. We hope to see you there!

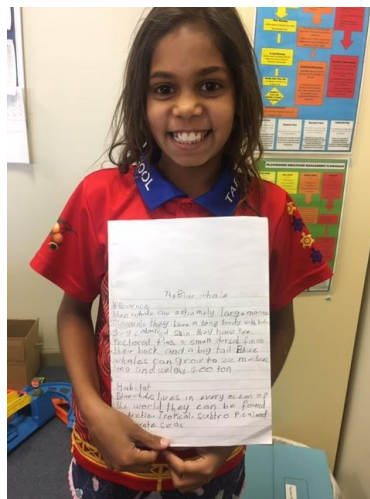

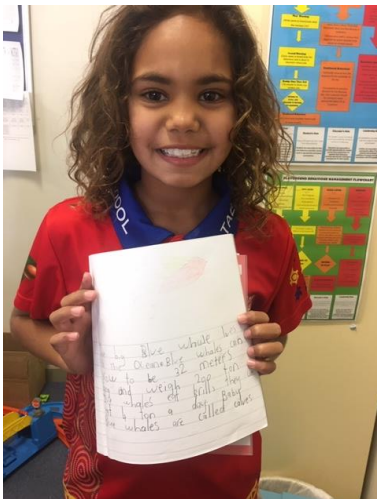

Our end of year presentation will be a special time where we celebrate all the hard work children have put in over the year and we ask all parents, families, community members and friends to attend to share this special occasion with us. The school will be putting on morning tea after the assembly and we hope to see you all here!

Regards,

Shaun Piccoli
