Dear parents, carers and community members,

We hope that all of you are safe and well after the fire emergency last week. Our school is open for our students and we will be **providing lunch and recess for students this week** if needed, so that families can concentrate on getting everything sorted out after the fire.

Please see the **Fire Community Recovery Information attached** to this newsletter for your convenience.

Our **wonderful volunteers** have saved so many houses and properties in the community from complete devastation. They have done an amazing job! To the RFS, SES and all support groups:

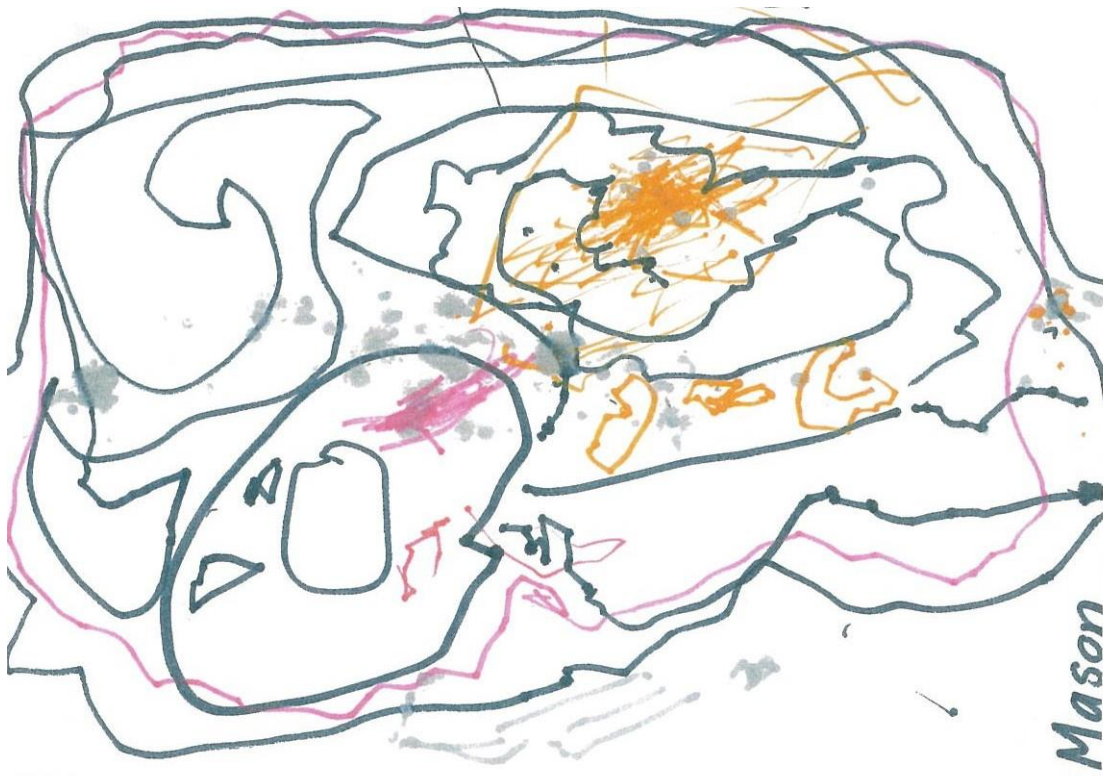

Today students and teachers have been cooking meals for the RFS and SES volunteers to show our appreciation.

I need to acknowledge the **wonderful support** of Tabulam staff for students and their families when we were evacuated last Tuesday. Staff all stayed with the students at Mummulgum until family and FACS were in attendance. The Mummulgum school and community members were an excellent support for us all and we sincerely thank them for their efforts.

Students who missed out on the **District swimming Carnival at Woodenbong** last week will have the time from our own swimming carnival taken into account to see if they are eligible for the Zone swimming Carnival in Lismore. Students will be notified if they are going.

Our **Transition students** have settled in very well and have been doing some lovely work. Here is some of their creative artwork.

There is a **new shade area** over our second playground being erected today. This has been something which the school has been saving towards for a few years. It will be great to have another shaded play area for the students of Tabulam.

3/4/5/6 excursion: Please remember that a \$50 deposit is due this week for the excursion. The excursion to Midjinbil Hill takes place in week 10 on 1st, 2nd and 3rd of April.

Have a great week!
