

26/10/2020

Dear Parents/Carers,

Last Monday swimming begun. We completed testing and finalised groups to support our swimming program for the coming weeks. The children had loads of fun and will be learning vital skills to support their swimming development.

Tomorrow, Dr Jacki will be at school for appointments with families from the region. Although her schedule for tomorrow is full, if you would like to see her when she visits next in term 1 2021, please contact the front office to arrange an appointment.

NAIDOC day at Tabulam PS is planned for Tuesday November 24. We are holding the event 2 weeks later to allow us to involve and have community members onsite at school. I am very hopeful the Department of Education will be allowing parents and family members onsite on this date and we would be disappointed to hold NAIDOC celebrations without our community. It will also be a day to say thank you for all your support over the year!

Our Year 6 children have a number of events occurring for them over the coming weeks and months. They have orientations, a graduation dinner at the RSM club in Casino and a rewards day. I encourage them to keep working hard and keep following the school expectations so they are invited to all these events. The school is working closely with Bonalbo Central School to support their transition to high school.

Next year TPS will not run our transition class like we have in the past. Our preschool children will no longer attend each Monday for the year before they start kindergarten the following year. Due to increased enrolments, we will be focusing our spending to support learning for our current enrolments. We will still offer an extensive transition program and more information will be available regarding this in 2021. We thank you for your understanding and look forward to seeing you all soon!

Regards,

Shaun Piccoli

*Children need to be
on time and at
school each day!*

If your child is away from school can you please send a note, call the office or send a message via Facebook to let us know. EVERY SCHOOL DAY COUNTS!

EVERY SCHOOL DAY COUNTS!

In 2021, TPS will have **3** classes to support learning across K-6. Miss Ianna and Mrs Moore will be teaching a class each. Mrs Wilkinson will teach Monday to Thursday and Mrs Elwell will teach the class on Friday. Due to the increase in enrolments, having 3 classes will assist teaching and learning significantly across the year. Mrs Moore has been our transition teacher this year and we welcome her full-time next year. She is a great teacher and we are very lucky to have her.

**LUNCH ORDERS MUST BE IN
AND PAID FOR BY 9.30AM**

Important Dates

- 26 October - K-6 swimming at Bonalbo
- 27 October – Dr Jacki at TPS
- 2 November - K-6 swimming at Bonalbo
