Dear Parent/Carers,

On Thursday the 20th of February TPS will hold our Personalised Learning Plan BBQ. We invite all parents, carers, family and friends to join us. During this time, we invite you to see your child's classroom, have a chat with other parents and staff, discuss your child's learning goals and a steak sandwich and cup of tea. We hope to see you here between 9.30am - 11am. We are hoping to get all children represented by a parent, friend or carer on our PLP morning.

Well done to those children who attended Woodenbong yesterday for the District Swimming Carnival. All teachers and parents who attended said how respectful they were and how hard they tried. You have done yourself and the school proud.

We had 16 kids who have made it onto the next carnival in Alstonville, which is fantastic. The school will be supplying a bus and taking these children into the Casino pool tomorrow to practise their stroke, breathing, diving and turns. There will be no cost for swimming training tomorrow in Casino or to attend the Alstonville carnival. A note has come home today outlining the information required and is also on Facebook. Thank you to Mrs Elwell, Nan Carm and Aunty Shania for taking, encouraging and supporting the children in their swimming adventures. As a school we believe it is vital to support children's success in and outside the classroom. Well done TPS!

Our Transition class will start at the **beginning of term 2** and notes will go home in the coming weeks to outline the program and provide parents with additional information. The program will run on Mondays and will be taught by Mrs Kerrie Moore and Mrs Trudy Carmichael.

On 2nd of March our P&C will hold their annual meeting in which positions for the year will be declared vacant and filled. We are looking for any parents who would like to be a part of our P&C to come along and join. You do not have to hold a formal position as all helpers and volunteers are welcome and encouraged. We have a great P&C however, we need more volunteers to keep it running and healthy.

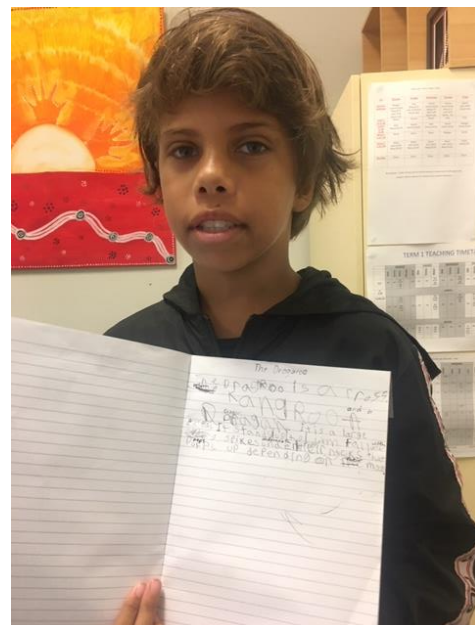

Regards,

Shaun Piccoli
