Dear Parents/Carers,

Tabulam Public School will postpone our NAIDOC celebrations that we had planned for the end of this term until the start of next term. After careful consideration and discussions, we have decided to postpone so we can hopefully include our community in the celebrations. At this point in time if we were to run it this term, due to the restrictions in place from the Department of Education regarding Covid-19, we would not be able to involve the community. We are very hopeful to involve our community in the special event and to celebrate NAIDOC 2020. Please stay tuned for more information as it becomes available, including a proposed date!

Thank you to Pop Joe for his hard work on the Cultural Room Mural. He has included the children in this process and the final result looks amazing. He has made the Cultural Room a focal point of the school. The artwork, detail and including the children in the process has been a great success. Thank you, Pop Joe!

A special thank you to Big W and Woolworths in Lismore for their support of TPS. Both businesses have supported the school with vouchers to support learning and to purchase items from their stores to promote learning. We are very lucky to have their support and will use these vouchers to purchase equipment to support learning inside and out of the classroom. THANK YOU, BIG W AND WOOLWORTHS LISMORE!

If you are not yet connected to class DOJO please ask so we can get you connected as we often put the great learning your child is doing on here to keep you connected.

Child reports will be modified for this semester and will be completed and delivered to children in the last week of this term. The A-E reporting scale will not be included in this report due to the time spent away from school in the Covid-19 period. If you have any questions regarding your child's education, I encourage you to call the school to make a time for a discussion.
