Managing the Spread of COVID-19

Dear Parent/Carer,

The revised directive from the Department of Education is:

If a student has been absent due to flu-like illness or develops flu-like symptoms while at school, they are not to return to school until they have a negative COVID-19 test and are symptom-free.

The negative COVID-19 test result must be sighted and received by the school for both students and staff members before their return to school.

In Bonalbo, your child can now get tested at the hospital 24 hours a day, 7 days a week.

In Casino, your child can be tested at Casino Respiratory Clinic, 107 Barker Street, please go online to make an appointment or contact your local GP.

Please ring the school on 66661219 as soon as you can to notify when and where your child's COVID test was conducted.

When you receive your text message with the result, please take a screenshot and email it to the school – tabulam-p.school@det.nsw.edu.au or via Facebook.

Thank you for your co-operation and if you are unsure, please call me to discuss your options.

Regards,

Shaun Piccoli

EVERY SCHOOL DAY COUNTS!

Well done to Izaiah who won the Rabbitohs Indigenous jersey for being respectful and trying his best in class. Nan Carm kept a close eye on the children over the last 2 weeks and today was the lucky draw. Well done Izaiah!
