SCHOOL ATTENDANCE

With many events and fun activities coming up towards the end of the year, it is vital all children are at school each day unless they are sick or have a valid reason. If you are sick or have a valid reason you need to let the school know so we can put this against your child's absence record. Children who are not attending school regularly and with no valid reason, will NOT be included in the fun rewards offered at the end of the year. If you are having trouble getting your child into a regular attendance routine, please give me a call so I can help.

Level 3 restrictions Tabulam PS MUST follow as outlined by the Department of Education

- Students and staff should not attend school if unwell, even with mildest symptoms of COVID-19. Any student or staff with COVID-19 symptoms should not return to school until they have received a negative test result and are symptom-free.
- Staff must be fully vaccinated to be on school grounds from the 8th of November.
- No excursions off site until further notice.
- Masks are mandatory for all adults on site and encourage for children.
- No assemblies until further notice.
- Parents who drop off or pick up their children are encouraged to do this at the front gate. A staff member will be there to support this easy drop off and pick up method.
- Only essential visitors are permitted on school sites during these guidelines. If parents/carers require face to face contact or a school visit, they must come into the school office, are required to be well and COVID-19 symptom free, wear a face mask and follow sign in procedures.
- If it is not essential to visit the school, we encourage you to call the office on 02 6666 1219 and we will assist with your enquiries.

The aim is to have all children attending school more than 90% of school days each year. This means that if your child misses more than 5 days of school each term, which is 20 days or more in total, they will be under 90% attendance for the year. We need all kids at school each day unless they are unwell.
