Dear parents, carers and community members,

Welcome to week 3 after a wonderful NAIDOC at Tabulam and Bonalbo. It was great to see so many people attend both days. Thank you to Nan Carm and Auntie Sherrie for their organisation, to the teachers for running the activities, displaying student work and for all of the lovely helpers with the cooking and BBQ. Our theme banners for this year's theme of 'Because of Her We Can' were beautiful works of art. Thank you to everyone for your support.

Students started athletics training with our Dance Fever trainers this week. This program will continue for the rest of the term on a Friday (except for district athletics day).

Keep **Friday** free as Tabulam will be hosting the **Upper Clarence District Athletics Carnival** and it is always a good day. The day will start at 10:00am and there will be a BBQ available for lunch, sandwiches, cakes, slices, drinks and snacks will be available from the canteen. Come along and cheer on Tabulam!

There will be a **PLP day on Wednesday 15th August** for parents and carers to meet with class teachers to discuss your child's learning and targets for the rest of the year. This is an important day for all students and their families to work in partnership with the school to support learning.

Today we had our first presentation assembly for the term. Congratulations to the following students: **"Caught Being a Good Learner" Awards:** Albert Avery & Shaileigh Avery. **Binging Awards for 25 dojos:** Robert Adams, Shane Collins-Adams, Shantelle Hippi, Sophia Hippi, Albert Avery, Pierre Hippi, Ponjum Ward, Shaileigh, Avery, Shakylah McGrady, Thomas Harkin, Kaden Khelloul, Danial Khelloul, Oscar Martin, Andre Avery, Annabelle John-Brady and Anne-Maree Avery. **'Different Teacher Same Respect'** raffle winners were Oscar Martin & Sophia Hippi

The Child Oral Health Service would like to remind parents and carers of the importance of regular, supervised oral hygiene.

- When children start school they are often keen to be as independent as possible. Most children don't have the skills to brush their own teeth well enough to prevent decay until age 8-10, depending on their level of dexterity.
- Thorough brushing twice per day prevents significantly more dental decay than brushing once per day or less often.
- Help your child gently brush their teeth and gums twice per day with a small amount of fluoride toothpaste.

My Mum is a beautiful person. Her name is Nekita Neoka Grace Hippi and I'm happy that she is my wonderful mum.

My Mum has an amazing sense of humour. She always tells me scary stories to put me to bed. Before I go to bed, she makes sure I brush my teeth. My Mum wakes me up so we catch the bus and get to school on time. She is special because she is always doing things to take care of me and look after me.

My Mum is a fantastic cook. She has taught me how to make fried eggs on toast and chicken curry. She has taught me to have good manners and be polite to others.

I am thankful that I have a mum like her.

My Magnificent Mum

Annabelle

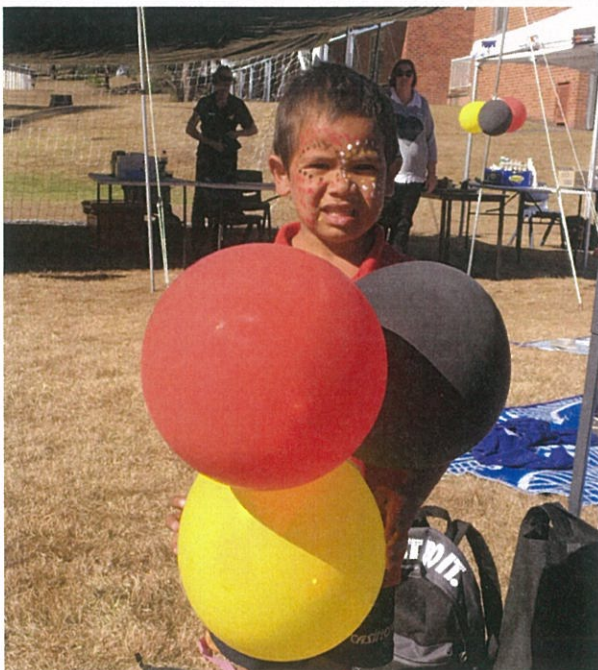

My mum is an awesome lady in more than a thousand ways. My mums name is Donna Louise Johnson and I'm so very happy she is my very magnificent mum.

My mum is amazingly good at art and she draws lots of different things. My mum is awesome at cooking. She can cook cakes and even a whole main dish. She should be on Master Chef where she would certainly be the winner. She is impressive and amazing by giving birth to someone as wonderful as me. That would be a very strenuous job! She is good at sewing and has a great sense of humour. She always makes me laugh and tells me jokes. She takes me to astonishing places like gold coast where I experience new environments.

My mum taught me how to cook cakes and noddles. She taught me to do Graffiti Art which I really enjoy. My mum also taught me to walk, eat and talk. She encourages me to make good choices in life. Mum shows me how to look after the farm like feeding the animals and to fill their water bowls. She taught me how to keep safe by never speaking to strangers because something bad may happen to me.

I am the luckiest girl alive to have a mum so special.
